

We understand

things change, and that's why we've made adjustments to our process and we're now taking lower upfront deposits to keep you on the journey to building your new home.

Our Promise

We understand the impact this pandemic may have on your employment, so if your employment is affected as a direct result of COVID-19 after accepting your final tender, we'll refund you **\$5,000***.

\$1,000 Tender Request*

Upon Tender Request, we'll do a complete site inspection to ensure your new home complies with all the necessary regulations.

The cost for Knockdown Rebuild is \$1,450.

\$4,000 Tender Acceptance*

On acceptance of your tender, we only require \$4,000. We'll confirm your site costs and cover any changes and questions you might have.

The cost for Knockdown Rebuild is \$3,550.

\$5,000 Final Tender Acceptance

The amount due at your Final Tender Acceptance meeting has been reduced to \$5,000 instead of 5%. At your Final Tender appointment, we'll provide the full set of plans for your home. Then you have nothing more to pay until building approvals are received.

15 Month

Price Guarantee

We understand in these uncertain times you're going to need more time, so that's why we are providing a 15 month price guarantee from the start date of your tender.
